## **UIB and “The Chamber of Commerce”**

No, it is not another plot for the schoolboy wizard, this Chamber of Commerce comes from Essex. The UIB UK Division has been in talks over the past few months with the Essex Chamber of Commerce (“ECC”) and we are pleased to have been appointed their preferred insurance broker.

As part of our new role we have, in cooperation with AIG, produced a bespoke Office and Commercial Combined insurance package that includes such things as Personal Accident, Directors & Officers at discounted premiums for Essex Chamber of Commerce members.

To assist in the promotion of this new insurance product, Stephen Palles-Clarke, Head of UK Division, gave a lunchtime presentation followed by a UIB Sponsored Lunch last week to ECC members at the New Hall School in Chelmsford. The presentation to 50 Chamber Members was designed to give a background to UIB’s UK division, the types of insurances we place, the brokers role and explaining the new Chamber insurance product.

The event proved to be a great success with interest being expressed by a number of members as well as the school itself.
