UIB Launches Latin American Initiative

International broker United Insurance Brokers Ltd today announced the appointment of Amador Torrealba as Divisional Director for the Latin America & Caribbean regions.

Amador, well known in the insurance market, has over 20 years experience in the industry, dealing with direct and reinsurance clients.

His extensive experience in Latin America and the region, brings to UIB a wealth of knowledge and an extensive network of high quality contacts.

“Amador will lead the expansion of our network in the region, where he will bring significant value to new and existing clients,” commented David Trezies, Chairman, United Insurance Brokers Ltd.

“His appointment is part of our growth strategy, which includes developing new distribution channels around the world, designed to secure UIB’s position as a leading independent broker focused on the international insurance marketplace.”

Amador said, “UIB’s independent, client-focused approach really makes them stand out – I look forward to contributing to their continued growth and success.”
